Book Details:

Review: This exceptionally researched book gives the reader the history of what the New World gave to the rest of the world. The chapter on the simple potato was worth the price of the book. The author outlines how the New Worlds agriculture transferred to the Old World and changed the lives of all that existed there. I have read and reread many of the...

Description: As entertaining as it is thoughtful... Few contemporary writers have Weatherford's talent for making the deep sweep of history seem vital and immediate. THE WASHINGTON POST After 500 years, the world's huge debt to the wisdom of the Indians of the Americas has finally been explored in all its vivid drama by anthropologist Jack Weatherford. He traces...
